## Directions to Fareham Classes

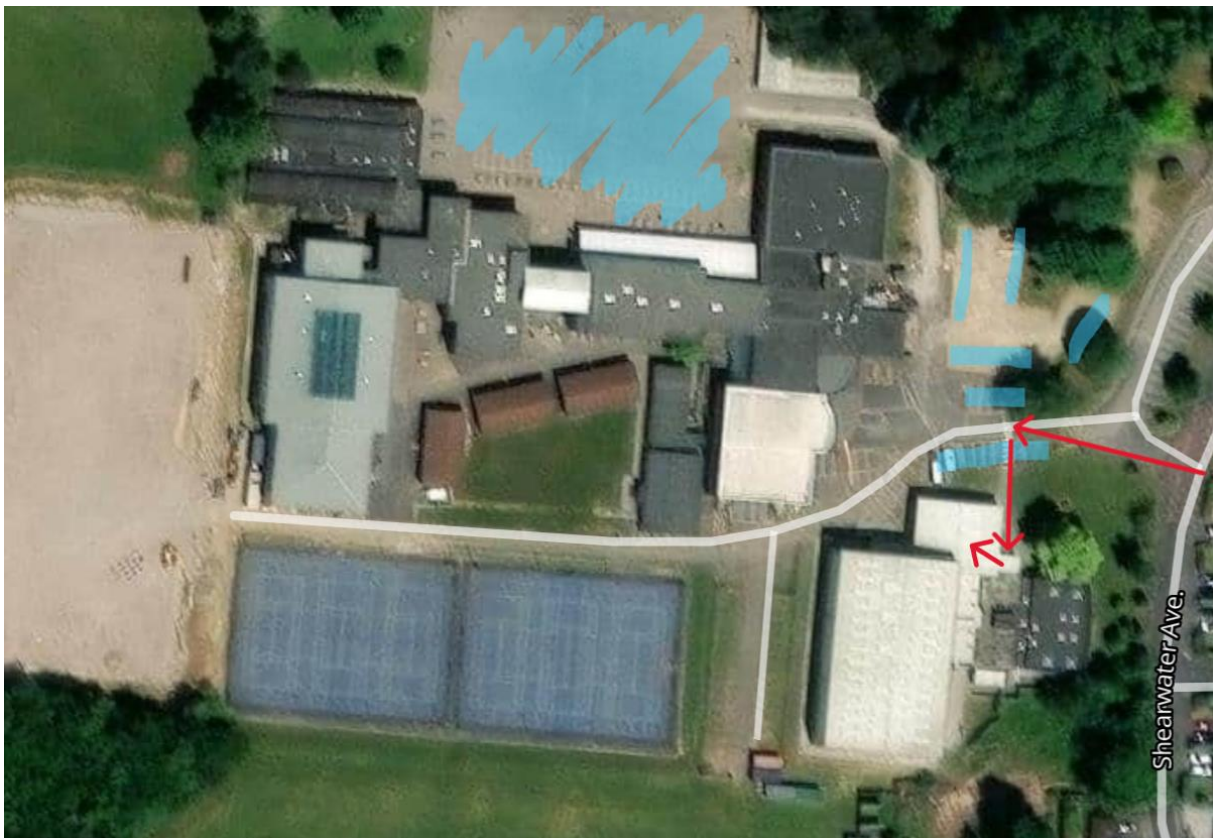

---

### Getting to the venue

Our classes are at Cams Hill School, Shearwater Avenue, PO16 8AH – or you can search for [Swain Taekwon-Do \(Fareham\)](#). When you arrive, there are a number of marked parking bays inside the second fence, alternatively use the gravel or overflow car park behind the school – all shaded blue on the satellite image below.

We use the Dance Studio in the David Buckland Sports Centre; to your left as you drive onto site. The red arrows on the satellite image show how to get to the building door and the dance studio is the first door on your right as you enter the building with windows overlooking the car park. There are toilets and changing rooms down the corridor on your left should you need them.
